

# "FUNKY HANUKKAH CANDLES" PAPER MOSAIC INSTRUCTION SHEET

Materials: 1/2 sheet paper, scissors, glue stick, magazine, pencil

Magazine Cutout Colors: all kinds of patterns, black, yellow, orange, red, shades of blue

## STEP 1

Fold your paper in half. Using the pattern papers you cut out, cut 8 candles about 3 inches high. Cut a special tall 4 inch candle for the Shamash. Glue them down and add a small piece of black for the wick.

## STEP 2

Use your orange, yellow, and red to cut different size flames. Give each candle a flame, mix and match the colors to give them movement.

## STEP 3

Choose a background color to fill cover the rest of your paper. I used blue. Cut your pieces as fragments and fit them all together like a mosaic. Use a color that contrasts well with the candles to make sure they stand out.

All done!
